DATA SHEET

# OCEANO 4.2 **DRIVE-OVER**

OCEANO 4.2 7W ST-ST 60° 4000K 24V HC 0,4M

Cod: CEA10FCL101A00

Protection class III

(SELV) power supply

separated

IdroSkud® protection system - polarity reversal protection - voltage spikes protection idroSkud - water infiltration protection

IP 68 up to 10m Protected continous against immersion up to 10 meters

۵ 🔀 🔟

Ш

IK 09 Protected against impact of 10 J

Designed to be supplied from a

extra-low

voltage

**IP 66** 

IP 66

High temperatures Design to withstand temperatures up to +50° C

Protected against powerful power

jets, 100 liters per minute

Driver-over Fixture design to withstand a static load up to 20 kN

CX - Extreme corrosion resistance level ISO 9223

Mizar warranty 5 vears warrantv

# RoHS X

# Technical description

Inground luminaire, drive-over, suitable for outdoor and underwater environments up to 10 m (IP66/IP68), with operating temperature range: -20°C / +50°C. To provide maximum versatility of application, the body can be made of aluminum or steel; the frame, aluminum or steel. The light source consists of a single 7W power Led chip powered at 24V constant voltage with integrated driver. The luminous flux makes it ideal for marking pedestrian paths or illuminating architectural details. The source is recessed for greater visual comfort. Color rendering index CRI > 90. Oceano is equipped with IdroSkud® system to protect electronic components from voltage spikes, polarity reversal and water infiltration. There are optionals for anti-glare (honeycomb and louvre) and installation accessories (drive-over outercase). The product must be combined with a power supply to ensure its operation. The power supply must be ordered separately. The amount of luminaires that can be connected to a single power supply varies depending on the type of installation. It is up to the installer to verify the possible voltage drop by evaluating the distance between the product and the power supply.

## Lighting data

| Source type                 | single chip power LED | Photobiological risk | RGO                           |
